C O V E N A N T A G R E E M E N T

In the interest of those to whom I will be ministering, as well as for the sake of my “co-missionaries” in Christ, I covenant to adhere to all regulations and restrictions outlined by the **COTTAGE COVE** staff during my intern experience. This includes all dress code regulations and conduct on the mission field, as well as during free time activities. It is my desire to do all that is possible to enhance not only my experience, but the experiences of others I come in contact with. I further understand that if my conduct is considered to be unacceptable by the **COTTAGE COVE** staff, I agree to pay for any transportation expenses incurred for my trip home or other designated destination.
