

Super Tuesday Program

Children enrolled in Cottage Cove's daily out-of-school program have the option of additionally enrolling in our Super Tuesday program extension. Super Tuesday's begin the second Tuesday of September and continue during regular school weeks throughout the school year. Instead of pickup (or walking home) at the regular time, your child will be fed a dinner meal and have an extra full hour of possible electives. These electives may range from life-skills classes such as cooking and sewing, to arts, music, jewelry making, woodworking, photography, gymnastics, and more.

Children not in our daily out-of-school program may also be eligible to participate in Super Tuesdays. Please inquire with the Cottage Cove office.

Since Super Tuesday classes are designed to build on earlier lessons, participation is expected to be consistent. If your child must miss a specific Super Tuesday, please notify our office by phone call, or note, earlier in the day. This allows teachers to plan and prepare for those attending, plus we need to know how many to plan on for the dinner meal. Failure to notify us in advance, or waiting until regular pickup time to do so, may result in suspension of your child from the Super Tuesday program. The Super Tuesday program ends at 7 pm. Pickup begins at 7 pm and runs until 7:20 pm. Super Tuesday classes cannot be interrupted for early pickup – either your child is picked up at the regular program pickup time or they are expected to remain until the completion of the Super Tuesday program. For the sake of making our program the best it can be for all children attending, please understand that abuse of our pickup policy may result in suspension from our program. Unless otherwise notified, our standard release for your child to walk home will also apply to the Super Tuesday program.
